Dear Valued Customer,

International Convention for the Safety of Life at Sea, 1974: The International Ship and Port Facility Security Code (ISPS)

Since the introduction of the ISPS Code in 2004, TCR has fully met its obligations in all aspects of the regulation to achieve the required level of security approved by the Competent Authorities, including regular audits and checks to ensure compliance.

TCR has reviewed the charge that has remained unchanged since implementation and wishes to announce that effective January 1st, 2019 ISPS will increase by €2.00 for all customers, to the following levels:

- Direct (Import-Export) Full containers €11.00
- Direct empty containers not applied
- Transhipment full containers not applied
- Transhipment empty containers not applied
- Break-Bulk cargo €11.00 per cbm or mt (whichever is higher)
- MAFI full discharged/loaded €11.00
- Vehicles discharged/loaded €11.00

Yours Sincerely,

Milena Fico
Director & General Manager, TCR

Giannantonio Mingozi
President, TCR
